

REACH Regulation (EC) No. 1907/2006

The European Regulation 1907/2006 on the Registration, Evaluation, Authorization and restriction of Chemical substances entered into force on 1 June 2007.

The "REACH Regulation" requires that substances classified as "SVHC" (substances of very high concern) are pre-registered between 1st June 2008 - 30th November 2008 and any substances not registered during this period; are subject to full registration.

REACH Compliance Statement Of Policy: As a company Pickering Interfaces Ltd is committed to REACH compliance and its philosophy.

Pickering Interfaces Ltd is not a producer of "SVHCs - ****" in bulk and we do not import or produce goods that contain SVHCs in quantities exceeding 1 tonne per year.

Pickering Interfaces Ltd is therefore exempt from pre-registering or full registration of substances with the European Chemicals agency.

We have no intention to change the composition of our goods.
